Blue Mountain Vineyards & Cellars

Medal Winner

Local Winery Wins Medal for Every Wine Entered in The Finger Lakes International Wine Competition

7627 Grape Vine Drive, New Tripoli, PA - On March 30th, Blue Mountain Vineyards received notification from the competition coordinator of The Finger Lakes International Wine Competition that each of the wines they had submitted had received a medal. The 2013 Shiraz won a Gold and Silver medal. Their 2014 Riesling won two Silver medals. The 2012 Pinot Noir won a Silver medal and the 2013 Cabernet Franc won a Bronze medal.

This was the 15th year for the competition and 3808 wines were judged by 73 people with national and international credentials that hail from Argentina, Australia, Chile, France, Germany, Israel, Italy, the United States and other wine regions of the world. Entrants from 27 countries, 50 states, and 6 provinces in Canada submitted wines to the competition. Joseph Greff, Jr., winemaker, stated that he was very happy that all four wines he had entered won medals validating his labor of love in winemaking.

Blue Mountain Vineyards is located in farm country with panoramic views of the Appalachian Mountains. The terraced vineyards have the feel of the Burgundy and Loire regions of Europe. Blue Mountain's winery is beautifully appointed with the ambiance that you might find in the Napa Valley, and the warmth and friendliness of European vineyards. The tasting room's knowledgeable and friendly staff always make your visit enjoyable. Visitors to Blue Mountain Vineyards are invited both to taste and tour the winery. They feel that the mystery some wineries prefer shroud over the process often excluding many potential wine lovers. Therefore they try to make their wines as accessible as possible. They encourage anyone with an interest in wine to taste everything and not to be afraid to try something new. The tasting room is open 7 days a week, 11am to 6pm. Plan to

spend some time enjoying the exceptional views and a glass or bottle of award-winning wine with locally sourced cheeses or pack some light fare. It's a great setting for parties, special occasions and celebrations. Our many events are held on our glass enclosed deck or outdoor deck, both surrounded by ponds and our terraced vineyards.

For more information about the winery's other award-winning wines and other upcoming events, as well as information about their 6 other tasting room locations, please visit the website www.bluemountainwine.com or "Like" on Facebook at BlueMountainVineyards and follow on Twitter #BlueMtWinery. They can't wait to share their passion with you!
